Curlers Line Up for New Season's Play.

What was probably one of the most successful meetings in connection with the Didsbury Curling Club was that which took place in the C.P.R. waiting-room on Monday night. Not only was it successful from the point of numbers in attendance, but the interest displayed and the envausiasm was beyond the ordin-

The president, J. A. McGhee, took the chair, and was supported on the right flank by the secre-

tary, J. Clark.
In his opening remarks, the president spoke in very complimentary terms of the services rendered by Mr. Bowyer, their caretaker of last year, who, he observed, was always diligent and very conscientious in his duties, and particularly was very willing to perform extra service at any

The president also announced that he had received a message from Mr. Ment with reference to the Mitchell Cup. This cup had now been definitely allotted to Didsbury, the scores Didsbury and Olds between Didsbury and Olds Didsbury 24, Olds 21. being-

The financial report showed, notwithstanding the unfavorable season last year, that the club had in hand a very respectable balance,

Following the report, Mr. Watt moved that the club donate \$75.00 to Rinks Ltd., which was carried.

A discussion took place here as to what they should do with the Mitchell Cup. A motion framed by Mr. Watt was to the effect that the cup be put up again for competition, and that a shield be placed upon it recording that Didsbury had won it after five

years play.
J. R. Miller submitted amendment that the club retain the cup. The amendment on being put carried. It was resolved that a hearty vote of thanks be given Mr. Mitchell for his trophy.

Officers for the ensuing year were elected as follows—Patron A. G. Studer; President, J. A. McGhee; Vice-President, Bert McGhee; Vice-President, Bert Fisher; 2nd Vice, A. McNaugh-ton; Sec.-Treas., J. Clark. The fees were fixed at \$10.00

for the season, payable before January 1st.

The season will be opened by a game between the president and vice-president, losers to pay for a supper.

A feature of the meeting, especially agreeable to the Didsbury curlers, was the attendarnce of Messrs. A. Campbell, E. G. Pepper and C. W. Hislop of Carstairs, who addressed the meeting and requested that two or three rinks from Carstairs be permitted to play with Didsbury during the coming season. This request was very cordially received, and the visitors from our neighbor-ing town were assured that their co-operation would be heartily welcomed.

The caretaker for the season on the Didsbury rinks will be Hardy, who had been appointed to this position at a meeting of the Rinks Ltd. held previously.

It may be added that the Didsbury Curling Club have prospects for a big membership this year, and it behoves those who want to play to get in right early.

The Pioneer Office has a fine se Christmas for now.

Ocean liners, propelled by powerful electric engines that will permit control as positive as that of automobiles were predicted by W. T. Thau, noted authority on marine electric propulsion, in addressing the convention of the Society of Naval Architects and Marine Engineers in New York.

Electric propulsion, he said, will eliminate the necessity of engine room signals and place absolute control of the vessel on the ship's bridge, resultting in a reduction of operating expenses and increased safety

Salvage Work Progressing

Sixty-three of German Vessels Raised at Scapa Flow

Salvage work on the scuttled German fleet at Scapa Flow progresses steadily. Messrs, Cox and Danks lifted the G40 recently bringing the number of destroyers raised to sixteen. Sixty-three vessels have been raised by them so far.

There are only three more destroyers of this type, weighing 759 tons, to be salved. The remaining seven destroyers weigh 1,300 tons.

No matter how deep-rooted the corn may be, it must yield to Holloway's Corn Remover if used as directed.

A Simple and Practical Girls' Dress

If you are thinking of making a new If you are thinking of making a new little frock for your young daughter, you will find this smat design very simple to fashion. The dress has the popular kimona shoulders, and long sleeves gathered to narrow wrist bands. The neck has a front opening and is finished with a neat round collar. An inverted plait at each side of the skirt gives added width, and a belf and patch pocket complete this trin ittle dress. No. 1366 is in sizes 6, 8, 10, 12 and 14 years. Size 8 years requires 2% yards 36-inch, or 1% yards 51-inch materia. 20 cents.

Our new Fashion Book contains many styles showing bow to dress hows and sitle. Minard's Liniment for Neuralgia.

Felt Like

Vinegar In Stomach

Brooken, N. Y. Mr. A. Arnstan says:—"No matter what I ate, it seemed to turn to a vinegar like acid as soon as it went down. I was bilious, belehed gas, and acids rose in my mouth. Appetite was poor. I took Carter's Little Liver Pills for just one week. This cortainly was a fine

week. This certainly was a fine remedy for me."
Treat a constipated condition in a sensible manner, cause the bowels to move daily free from pain. Carter's Little Liver Pills are for every member of the family. Small, sugar coated, easy to take.

easy to take.
Druggists, 25 & 75c red packages.

British Nation's Income

Estimated Average is Over One Pound Per Week for Each Person

The estimated income of Great Britain, say the Inland Revenue Commissioners, is now 2,900 million pounds, over £1 a week for every inhabitant.

Of this amount the Inland Revenue took 510 millions in income tax, super tax, and death duties. Super tax was paid on incomes over £2,00 by 87,000 people, and 124 of them had incomes of £100,000.

Death duties were paid on 106,000 estates; but 26,000 of these were £300 or less. One estate was over three mil lions, and there were 12 between one and two millions.

NEGLECTED ANAEMIA

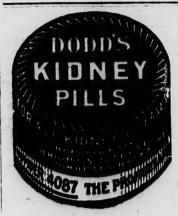

Often Leads to a Decline-Enrich the Blood by Taking Dr. Williams' Pink Pills.

In their early teens it is quite com-mon for girls to outgrow their strength, and mothers should care-fully watch the health of their daughfully watch the health of their daughters at this time, for it is when strentgh is sapped by rapid growth that anaemia develops. The first signs may be noticed by peevishness, languor and headaches. The face grows pale, breathlessness and palpitation follow, with low spirits.

At the first symptom of anaemia mothers should act at once. Neglected anaemia often leads to decline, but if you see that your daughter's blood is enriched there need be no cause for anxiety. The finest blood enricher ever discovered is Dr. Williams' Pink

is enriched there need be no cause for anxiety. The linest blood enricher ever discovered is Dr. Williams' Pink Pills. The pure, red blood created by these pills will quickly banish all signs of anaemia. They will build up your girl's health and ensure her a robust girlhood. Give your daughter a course of 'Dr. Williams' Pink Pills now. Make her strong like thousands of girls who have been rescued from the clutches of anaemia by Dr. Williams' Pink Pills. Here is a bit of proof. Miss Mary Vendittl, Catamount, N.B., says:—"Three years ago while attending a convent, I studied very hard to graduate. The result was I became very nervous and got so thin and pale my teachers thought took different kinds of medicine which my parents sent me, but my condition remained unchanged. At last one of my teachers gave me a box of Dr. Williams' Pink Pills, and I had hardly

Explanations and Comments

Explanations and Comments

1. The Fainthearted Depart, verses
1.3.—Gideon and his band were to fight against the Middanites under God's banner, and to God must be accorded the victory. Lest they should boast of having themselves defeated their enemy, their numbers must be reduced. Gideon therefore directed all who were fearful to depart, and more than two-thirds of the warriors left the camp. Possibly the men who had bragged most of what they would do to the Middanites were the very ones who were afraid when they stood on the height and looked at the encampment of the enemy spread along the

the height and looked at the encampment of the enemy spread along the opposite side of the valley. The Crusaders who were the holdest in the council-chamber were the first to cry, "Sauve qui peut" (Let him who can save himself.)

When God needs men for His work he chooses the hearts courageous. When the bugle sounds the martial note, some one has observed, there are many in the Church who suddenly remember an engagement that prevents them joining in the battle. The proportion of cowards at Gilboa turned out to be two in three. Would it be out to be two in three. Would it has low in moral battlefields of today Would it be

The Opening of Mountain View Bible College.

"This is the Lord's doings and it is marvelous in our eyes."
The above words quoted by our vice Presiding Elder, Bro. Edwardson as he reminded us that in just about as many days as it took Nehemiah to rebuild the walls of Jerusalem, did it take to erect this modest and comfortable structure, Mountain View Bible Colleg: at Didsbury, Alberta.

"The people had a mind to work," could very truthfully be structure work," could very truthfully be service on the moment the excavation began till mop finished at the back door about one hour before the optining dedicatory did supplies of vegetables, meat, eggs, fruit, pickles, cookies, etc., were brought in to the larder of the school. Miss L. Eby, who will be preceptress the opening term, was on hand to welcome the students and put things into working order.

The people had a mind to people on the above date.

What a wonderful day God gave us. The weather was just that delightful, sunny Fall weather that delightful, sunny Fall weather which is typical of Alberta. Pastors and friends motored in for this control for the overing sone. During the appeal to the graph of the property of the overing sone. During the property of the property of the overing sone. for this occasion from some of the opening song. During the the fields, even a distance of over afternoon Mayor Chambers and Dr. two hundred miles. In response to Clark, M.D., both spoke encouragingly the "Harmattan" of the world befog Mrs. Florence Finlay's appeal splendid supplies of vegetables, meat, eggs, the town and immediate district, and the call to the work of God. The fruit, pickles, cookies, etc., were then to other districts where there is brought in to the larder of the school, such a dearth of the knowledge of the the "Opportunities of the God-planned" such a dearth of the knowledge of the word of God. Rev. Reimer, Baptist, spoke earnestly of the need of a Bible day with prayer.
School. Rev. Roppel, Evangelical, spoke with the thought of the Bible school as a moral asset to the comaway with a new inspiration and a munity. We all felt, as he finished, it larger vision for the work of God over must serve all and is worth much these prairies and across the seas. more than the dollars needed for its erection. Special music was rendered by Mrs. Roppel, who will be the piano teacher for students desiring such work. Special singing by Rev. C. Hallman, Rev. H. Shantz and Miss L. Our school is not all finished on the with expectant hearts, so

that we train it to do its best. Rev.

to this day from his years in school off in the U.S. Miss Maggie Finlay, OUR Missionary, brought a stirring appeal to young people to keep their first vision of Jesus clear, and not let Life." Miss L. Eby closed this great

A very successful meeting of the Y.W.C.T.U. was held at the home of Miss T. Chambers on November 5th, 1926. The mesting opened by the singing of the Temperance Doxology and the reading of the Crusade Psalm was then earn dout. The office of vice-pres, recently vacated by Miss F. Reiber, was filled by Miss E. Snyder, Miss D. Metzgar was elected as supt. of reher. The paper of the evening was given by Miss D. Metzgar and a short program followed. The meeting closed by repeating the Lord's Prayer, after which a dainty lunch was served by the hostess. The next meeting will be held at the home of Miss E. Chambers on the evening of December 13, 1926. Everyone is welcome.

Chautauqua To-night.

Fine Program Every Performance

The Chautauqua in Didsbury has for some years been looked upon as a musical and intellectual effort that is worthy of making every effort to attend, and this year's program has been so highly commended in other cities that Didsbury should put everything else on one side to take in the big event. Altogether, there are four evening performances and two afternoons. Anyone can get a program and make himself thoroughly acquaint-

ed with every performance. It is not too much to say that the lectures alone are worth far more than the price of the season ticket. A report from another town, where the Chautauqua has already been held states that every resident should deem it his duty to hear Judge Fred G. Bale in his timely and inspiring message on "Our

duty to the Rising Generation. In addition to the lectures, however, there are musical programs which one would travel miles and miles to have the pleasure of hearing. The whole Chautauqua is a big musical and literary effort and every number is of great artistic

The Chautauqua will be here from Nov. 25th tothe 29th.

CONTROL CONTRO

UNLIMITED POSSIBILITIES

For Profit Making

IN THIS NEW CANADIAN INDUSTRY

Carrie Carrie Carrie Carrie Carrie First Purely Canadian Breakfast Food

· POPPE POPPE POPPE

A new Industry operating under a Domion Charter, combining the operation of an Elevator, Grain, Cereal and Feed Business with the Manufacture and Marketing of an Entirely New Balanced Breakfast Food—an industry with an almost unlimited market and vast possibilities for profit making—the Public is invited to co-operate and share in this Great Investment Opportunity.

VITOMEN CEREAL LIMITED

is the name of this new company organized to profit by
the huge quantities of Canadian grain now passing
through the Port of Vancouver. The Company has purchased from the Manitoba Grain Company, Limited, the
site at 285 First Avenue East. Vancouver, B.C., and the
Manitoba Grain Company is building for the Vitomen
Cereal Limited, as a first unit of their factory, a building
40 feet by 140 feet of solid mill construction. This building will be included in the sale and transfer of properties
from the Manitoba Grain Co., Ltd. to Vitomen Cereal
Limited. In addition to this Vitomen Cereal Limited will
build an elevator and warehouse at a later date, plans of
which are already out, for the purpose of continuing and
extending the original business of the Manitoba Grain
Company, Limited. The Company owns and controls the
right to manufacture and sell in Canada, and to export to
all parts of the British Empire and elsewhere, the new
cereal food product known as "Vitomen Shreds." This
Company also holds the right to use the copyrighted
name "Vitomen" on all other food products to be manufactured by it.

name "vitomen" on all other food products to be manufactured by it.

The control of Vitomen Cereal Limited is not in the hands of a few people, as 350,000 of our 500,000 shares capitalization will be offered to the Canadian public at the parvalue of \$1.00 per share. All shares are common, each carrying a vote in the affairs and management of the Company and participating equally in the earnings.

FIRST PURELY CANADIAN BREAKFAST FOOD

The manufacture of ready-to-serve breakfast foods has never before been attempted in British Columbia nor in Eastern Canada, except by sudsidaries of the great American companies, which have built up huge fortunes for their founders and shareholders. Such a concern as Vitomen Cereal Limited will become a substuntial factor in Canada's industrial life. It draws its materials from the wheat fields and gardens of the praries. It will also provides through the payroll of its manufacturing plant a large and constant contribution to the business of the west

VITOMEN SHREDS

The New Balanced Breakfast Food will be one of the chief products of Vitomen Cereal Limited. Vitomen Shreds being a highly nutritious breakfast food that provides well bal-anced diet of all the necessary elements for bodily nourishment. It is a well-established scientific fact that no one meat, grain, vegetable or fruit can supply a sufficient amount of the vital food elements required daily to build up nerves, brain, glands and tissues. The ordinary breakfast food cannot do it. This is where Vitomen Shreds steps in with its scientifically balanced content that forms a complete food by itself. Vitomen Shreds consist of finest whole wheat, celery, lettuce, spinach, alfalfa leaf flower, yeast, butterfat, organic salts and honey. Besides being so highly nourishing, Vitomen Shreds are delightfully appetizing and palatable. In fact they are the ideal breakfast food, the only one now on the market which forms a complete balanced diet without the addition of other ingredients. Unquestionably such a product only needs judicious questionably such a product only needs judicious and persistent advertising and distribution to give it first place on the breakfast tables of all Canada and the entire British Empire.

Unlimited Potential Market

Vancouver has been selected for the location of the first factory for the manufacture of Vitomen Shreds. Grain is there in abundance. Other components are available close at hand, reducing transportation costs on raw materials to a minimum. It is intended to develop the Canadian Market first, extending it thereafter to Great Britain and the entire British Empire.

The plant in Vancouver now being built and equipped at a cost of some \$50,000 will care for an initial production of 1,000 cases of Vitomen daily, each case containing twenty-four standard size packages. ard size packages.

Managed by the Right Men

Vitomen Cereal Limited will be controlled and directed by West-Vitomen Cereal Limited will be controlled and directed by Western business men, experienced and successful in the grain trade and the allied manufacture of cereal foods. This is important—it means intelligent, efficient and economical management and substantial profits to the shareholders. The president of the Company, Mr. J. W. Langs, is a Vancouver manufacturer of long standing and experience. Mr. G. M. Geiger, vice-president, formerly of Seattle, has been a cereal manufacturer for many years past. The secretary-treasurer, Mr. E. T. Matchett, of New Westminister, is experienced in the grain and retail trade. The services of these men are invaluable to the Company. Their combined experience should surely bring success to such an undertaking. undertaking.

HUGE PROFITS!

are being made by other similar

The profits made by the American breakfast food manufacturers are almost unbelievable! Huge fortunes have been amassed and are still being made, as the following figures demonstrate:

\$500 in Kellog Corn Flake Company pays 100% daily \$500 in Postum Cereal Co. has returned \$124,535 \$500 in Shredded Wheat Co. is worth \$50,000 \$500 in Cream of Wheat Co .is worth \$140,000

saturday Night," of March 20, 1926, also makes interesting reading:

"SHREDDED WHEAT COMPANY'S INCOME:

The Shredded Wheat Company of Canada reported at its annual meeting in Niagara Falls on February 9th, a gross income for the year of \$1,827,974! Dividends amounting to \$1,000,000 will be divided among the shareholders. After the present quarter of the financial year is closed every shareholder will receive four shares for his one present share. The Company wrote off \$500,000 for goodwill. Although the profits for the year were greater than last year, the dividends were lower because of the fact that the new factory was built and equipped out of income."

CLIP IT NOW

CUSTOMS PROBE IS REOPENED

Ottawa.-Customs appraisers whose duty it is to place a value on goods imported into the Dominion sometimes make mistakes. Before the customs royal commission, which resamed sitting here, R. L. Calder, K.C., one of the commission counsel, stated that an importation of very valuable antique furniture entering the port of Montreal had been appraised as "second-hand furniture and rated as such" by the appraiser through whose hands it passed. Evidence taken before the parliamentary committee last session had shown that some of the appraisers were absolutely without qualifications for their work, Mr. Calder said.

Counsel mentioned these matters when J. A. Watson, Dominion apbraiser, was on the witness stand before the commission. Both Mr. Watson and his assistant, Edward Richards, informed the commission that they were not consulted in any way officially as to the choice of ap ships and both the senior champion smoking rooms and diving rooms pointees for the posts of customs ap ships, while Frank Collicutt, Cross- capable of seating 50 people at one praisers at points outside Ottawa. field, won the junior bull and reserve time. Customs appraisers generally became such by promotion, Mr. Richards thought, but he and Mr. Watson in the Hereford classes, capturing, in an ascent. agreed that the civil service commission was the body which would proberal premier and other prizes. ably tell the commission about the matter.

Resumption of the hearing this fords. morning was prefaced with an expres gion of regret from Chairman J. T. Brown that Sir Francois Lemieux had retired from the chairmanship of the commission. It was announced that after the Ottawa sitting, the commission will proceed to Vancouver,

A statement was submitted covering the number of train seizures at various points in Canada from 1923 to date. The largest number was made at Windsor, Ont., numbering 465. Next came St. John's, Que., 371; Montreal, 356; Vancouver, 237. Mr. Rowell explained that these were made from trains, which accounted for the large number made at some comparatively small places.

London Firm Insures Turkish Cruiser

is Ship That Decided Turkey to Join Germany in War

London.-There is a flavor of irony in the fact, says The Daily Mail, that Insurance of about \$5,000,000 has been placed with Lloyds, London, against risks of damage to the Turkish cruiser Sultan Yawus Selim, formerly the German Goeben, which is being lifted Into dock at Goldjuk, near Constantinople, for repairs by German engineers. Early in the war, the Goeben, then belonging to Germany, arrived in Constantinople after a spectacular es cape from British pursuers in the Mediterranean. The arrival of the Goeben through the Dardanelles was one of the factors leading Turkey to Youth of Ontario Say They Are loin Germany instead of the allies in the war.

THE STATUS OF **DOMINIONS TO**

London.-In connection with discussions by the Imperial Conference committee on inter-Empire relations there is a proposal to widen the powers of the high commissioners of the various Dominions and give them semi-diplomatic functions. So far, however, the matter is in abeyance.

The conference resolution with reference to the Locarno treaties as previously indicated will be confined it is expected, to an expression of appreciation of the Locarno spirit and the work done by Sir Austen Chamberlain, foreign secretary, in promotof the armistice. Great as the R33 have accepted the arrangements. On ing peace in Europe, but it will not appeared it could pass within the this side, the scheme of arrangement imply acceptance of the treaties by the Dominions. On this point, it is understood there has been a division of opinion among the Dominion delegates, while the resolution calling for Will Be Appointed the formal adhesion of the Dominions to the treatles is not being pressed.

The proposed statement on the constitution of the Empire, on which the premiers' committee on inter-Empire relations has been working, is now taking definite shape. The statement,

1-Define more clearly than at pres ent the status of the Dominions in the Empire.

2-Recognize Dominion autonomy. not only in purely domestic matters but also in questions of foreign policy

The premiers' committee of the Imperial Conference has not yet concluded its work, and some changes may yet be made in the statement outlined above.

Among the Canadian delegation there was evident a feeling of satisfaction at the way things are progressing at the Imperial Conference. "We have every reason to be pleased," said one influential member of the delegation. "We did not, of course, get everything we should like but we made a greater advance even than we

Says Canada Is Prosperous

President of Canadian Bankers' Association Reviews Financial Situation

Montreal.-A comprehensive review of the business and financial situation in this country the past year, and the factors leading to the general improvement which has taken place were contained in the address by C. E. Neill, president of the Canadian Bankers' Association and general manager of the Royal Bank of Canada, who told a tale of prosperity at the annual general meeting of that body held in Montreal. Mr. Neill stated that the wave of prosperity was reflected in a pronounced improvement in the banking situation in the Dominion and also dealt at some length with the return of this country to the gold standard. which was accomplished wihout any stress or strain whatsoever.

Not in agriculture alone is found evidence of Canada's prosperity, stated Mr. Neill, who added that railroad earnings are satisfactory, building was most active during the past year, newsprint production has exceeded that of the United States, automobile roduction and export level and that generally various lines of manufacture show satisfactory growth.

Union Jack Painted On British Vessels

Plan to Protect Ships Plying In Chinese Waters

Shanghai.—In an effort to prevent their being attacked by the Chinese militarist along the Yangtse river. many British vessels plying in Chinese waters are having the Union Jack painted on their sides. Shippers hope this will make firing on them or commandeering them inexcusable. The seamen's strike is reported to have been completely beaten. All strikers have been summarily dismissed and new crews employed.

Toronto.—A special Washington dispatch in the Toronto Globe says: authoritative quarter.

Christmas is coming- Our Sunday School in co-operation with the whole church is already hard at work getting the Christmas program lined up. All will be built up around the sacred can-tata, entitled, "The Sign in the Sky" for this years program. This cantata tells the whole story from the prophesies to birth of The Saviour in a very pathetic and soul-stiring manner. Watch for further announcements in

this column. Ten members of the newly organized Ministerial Association of the Olds-Crossfield district spent Monday afternoon of last week at Carstairs in the home of Rev. Mr. Ing. The time was Rev. Mr. Ing. The time was spent in devotions, study and happy fellowship. This friendly getting together of all the district ministers is not only proving helpful to them but some leading laymon are taking notice of it too, with interest. For instance, or the day of this meeting, a business man here noticed five ministers driving through town in one car, each, representing a dif-ferent denominational church and in talking about it since, he offered a bet that the like had never happy ned in the town of Didsbury before, The ministers concerned accept this unsolicited congratulatory remark with a kind, "Thank you."

The C.G.I.T. under the leadership of Miss Stock will observe their annual Mother and Daughter Service in the Ev. church on Tuesday Ev. December 7th Miss Ruth Hetherington, the Provincial Girls' Work Secretary will be the main speaker, girls' choir will furnish the music as also some other exercises suitable for the occasion. Fur-ther particulars in next weeks

BAPTIST CHURCH.

It was very gratifying to see good congagations out to hear Rev. W. P. Freeman last Sunday in spite of the poor roads and unfavorable weather. Those who heard him were amply repaid for their effort. His adpaid for their effort. Has addresses both to old and to young were greatly enjoyed, because he is a man who speaks from a rich experience.

The snow in the evening deterred many who would otherwise have come from venturing out to the Westcott service.

Next Sunday Mr. Reimer will again have charge of the services. He hopes to speak on the subject, "Moving God," Does the attitude of men in their prayers and ives, or their problems and sufferings move God to change his attitude or his plans?

Don't forget the hours of service, Zella 11.00 a.m., Elkton (Sunday School) at 3.30; Westnott at 8,00 p.m. Everybody velcome.

E. Himer.

KNOX AND WESTCOTT UNITED CHURCH

Sunday evening November 28th Rev. V. M. Gilbert, B.A. B.D., minister of the United Church, Olds will occupy the pulpit at Didsbury, taking as his subject "Margins." It is the Gospel of the Second Mile, and is of particular interest to young people. The sermon deals with physical margins, mental margins, and spiritual margins. Ne-gotiations are being made to have the choirs of the two churches exchanged this coming Sunday, Rev. A. E. Hayes will take the services at Westcott, in the morning and at Olds in evi ning.

Throughout the Red Deer Presbytery lantern slides are being shown in connection with the work of the United Church. Plans are afoot to have these shown at Didsbury, and a definite announcement will be made

The annual convention of the Alberta Association of Municipal Districts opened in the Paget Hall at Calgary yesterday (Wednesday) morning. It was ex-[/cted to have about 350 delegates in attendance. There are thirteen resolutions in all to be considered, with the possibility of several more. These include the subject of taxation, the weed menace, and the upkeep roads and bridges in rural districts. Another very important a solution reads that the collection of taxes for the maintenance of rural schools be undertaken by the municipal districts and paid wer to the respective school

Those attending the convention from Didsbury include H. Pearson, P. Saunders and A. Pearson, P. Mountain View Brusso of the Mountain View Municipality and N. S. Clarke Fletcher and A. McNaughton
